Tacloban City

Division Memorandum No. 226, s. 2022

Date: May 20, 2022

To: District Supervisors
School Heads
Teachers and non-teaching personnel
Schools Division Office personnel

From:  MARIZA S. MAGAN, EdD, CESO V
Schools Division Superintendent

Subject: Registration to LIFE Platform to access health services for women teachers and non-teaching personnel of DepEd Division of Tacloban City

Our office, with Roche Philippines, City Health Office and Eastern Visayas Medical Center, have conducted the Mission Leapfrog Kick-off activity last March 15, 2022 at Leyte Normal University gymnasium. In that activity, a symposium on Breast and Cervical Cancer, with emphasis on screening and early detection, was made.

In this connection, women teachers and non-teaching personnel of the Division Office and public elementary and secondary schools are encouraged to register to the LIFE Platform to access health services particularly, breast and cervical cancer screening.

Your attention is particularly directed to the online registration to the LIFE Platform which is conducted until May 23, 2022 by scanning the QR code or through this website address: <https://life.labx.asia/secure/registration>.

Other activities of the Mission Leapfrog project are detailed in the attached letter of the country medical director of Roche Philippines for your reference.

For your information, guidance and immediate compliance.
