SUBJECT : CONSULTATIVE MEETING WITH SECONDARY SCHOOL RESEARCH COORDINATORS
ON TECHNICAL ASSISTANCE TO TEACHERS HANDLING RESEARCH SUBJECTS

1. Being competent and well-performing teacher is one of the most important resources in any educational institution. The teacher is considered the professional agent and the most directly responsible person in the process of learning; he/she is the one in charge of making/helping students learn and benefit or suffer from the quality of his teaching. Given this, the teacher and the quality of his/her teaching are always under discussion and receive prevalent importance in education.
2. The Department of Education (DepEd) maintained the need to provide its teachers and personnel with the necessary training and development programs for their personal and professional growth. The Department of Education has committed to continuously improves itself to better serve its stakeholders. Doing so, involves the constant introspection of the department's practices in all levels of governance, most especially in the classroom where battles are being fought every day to bring about the success of the delivery of basic education services.
3. In line with this, the Schools Division of Tacloban City thru the SGOD - Planning and Research Section shall conduct a consultative meeting with Secondary School Research Coordinators to determine the kind of Technical Assistance needed by Teachers especially those handling the subject Practical and Applied Research. This meeting shall be conducted on **September 30, 2022, Friday at the Social Hall (Gabaldon Bldg) of San Fernando Central School, Tacloban City at exactly 1:00 in the afternoon.**
