**VIRTUAL AWARENESS FORUM ON BREAST AND CERVICAL  
CANCER AND REGISTRATION TO THE LIFE APP**

1. The 2030 Mission Leapfrog Project, in partnership with DepEd Tacloban City Division, Roche and other stakeholders will conduct a Virtual Awareness Forum on Breast and Cervical Cancer on October 17, 2022, Monday, 3PM to 5PM.
2. Following the planning and implementation workshop, it was identified that DepEd Tacloban City Division personnel could benefit by helping them understand truths and misconceptions about cancer, encouraging early cancer screening and hopefully finding correct interventions as needed.
3. In this connection, all DepEd Tacloban City Division personnel, especially female personnel, are encouraged to participate in this forum. The webinar link for this activity will be provided prior to the event.
4. Further, all are encouraged to register to the LIFE app – the digital telemedicine platform that the project is using to register and pre-screen high-risk patients. Attached is the instructions on how to register to the LIFE app.
5. For your information, guidance and compliance.
