Public Schools District Supervisors
Public and Private School Heads
All Other Concerned

1. The 2023 Mayor's Cup Tournament has recently concluded last March 20, 2023. Athletes who have shown excellent performance were judiciously selected to compete for 2023 EVRAA Meet.
2. To ensure that these athletes will be more coordinated, stable and strong as they compete for a higher meet and thereby improve their performance, there shall be a training by event with their respective Coaches, Tournament Managers, and Officiating Officials every *Wednesday and Thursday at 3:00 P.M. and whole day of Friday effective upon receipt of this memorandum.*
3. Since these athlete-participants will miss out their classes, modular instruction shall be given by their respective advisers and subject teachers so that they will not be left behind of the learning competencies for the quarter. Further, they shall be given reasonable time to make-up and comply with other requirements in the different subject areas, including but not limited to quizzes and other examination that they will miss.
4. Teacher-coaches, assistant coaches, officiating officials, tournament managers should make an instructional catch-up plan for the entire duration of the training and this should be approved by the school head for a possible assignment to the teachers who are not part of the activity.
5. Expenses incurred relative to this activity shall be charged to MOOE/Local Funds/Sports Fund subject to the usual accounting and auditing rules and regulations.
6. Teacher-coaches, assistant coaches, officiating officials, tournament managers and monitors shall be given service credits/COCs that fall under weekends to compensate all the zealous efforts and untiring support extended to the athletes and to the Division as a whole.
7. For your information, guidance, and strict compliance.
