1. Altering Gap And Personal Experiences (**AGAPE**) through Values Program, is a Division-based initiative, launched last Feb. 8, 2020, anchored on the adaptation of the Values Restoration Program mandated from varied legal bases which were stipulated in the last issuances. Division Memorandum 109 and 160 s. 2023 was released to guide the schools and life coaches in strengthening this endeavor to help developed learners-heart through godly-values lessons with the participation of stakeholders, the Life Coaches.
2. It is therefore reiterated that life coaches assigned to schools must be mindful of the agreed boundaries indicated in Division Memorandum no. 160 s. 2023 to wit:
 - a. No religion or congregation recruitment will be manifested but rather godly teaching focused.
 - b. No monetary involvement between teachers, life coaches and students.
 - c. Life coaches will participate in quarterly feedback-meeting to be called for by the Values Supervisor.
 - d. Wearing of AGAPE Life Coach-ID every session is encouraged to ensure that they are included in the Registry of Life Coaches who passed through the Division Screening of Life Coaches.
 - e. No allowance/stipend will be given to any Life Coaches.
 - f. Life coaches are assigned per school and per grade level to teach for 30 minutes per week as to agreed scheduled between the school head and the volunteers.
 - g. Parents permit must be secured with the help of the advisers.
3. Schools are requested to give feedback to the Education Program Supervisor as to the total involvement of the Life Coaches through the monitoring tool (see attached Enclosure 2) every month.
4. Expenses incurred relative to this activity are borne personally by the volunteer life coaches.
5. Immediate dissemination of this Memorandum is highly desired.
