DIVISION MEMORANDUM

No. 323, s. 2023

LEARNING MODALITY ON THE ONSET OF RAINY SEASON

To: **All Public Schools District Supervisors**
All Public Elementary & Secondary School Heads
All Others Concerned

1. In connection with the official declaration of DOST-PAGASA on the onset of rainy season through Press Release/Statement, dated June 4, 2023 and the temporary suspension of daily monitoring of heat index and issuance of forecast effective June 2, 2023, which will resume on March 1, 2024, this Office recommends and announces the resumption of the normal conduct of face-to-face classes effective immediately to ensure the achievement of learning outcomes and curriculum competencies.
2. The implementation of Alternative Delivery Modes due to extreme heat or inclement weather is deemed inapplicable in consideration of the current weather situation. However, for areas that are still experiencing hot weather, it is advised to stay informed through official announcements from the relevant local authorities should there be any warnings related to extremely hot weather and take necessary precautions to ensure the safety and well-being of learners and personnel.
3. Moreover, School Heads are presumed to know when to activate and de-activate response measures or interventions to ensure learning continuity in the presence of hazards and disasters or emergencies as indicated in your respective School Contingency Plans expectedly, and inform the Division Office if such is being implemented.
4. In relation to the rainy season, cancellation and suspension of classes will be based on the issuance of Orange to Red Rainfall Warning by DOST-PAGASA as provided in DepEd Order No. 37, s. 2022.
5. Immediate dissemination of and appropriate action with this Memorandum are desired.
