**DIVISION-WIDE BLOOD DONATION ACTIVITY
IN CELEBRATION OF WORLD TEACHER'S DAY**

1. The Schools Division of Tacloban City, in collaboration with District Learning Centers V and VII and Cirilo Roy Montejo National High School, will be hosting a Division-Wide Blood Donation Activity on September 29, 2023, Friday, 8AM - 1PM at San Fernando Central School conference hall and is in celebration of World Teacher's Day.
2. The purpose behind this initiative extends beyond incorporating blood-related concepts into the Junior High School curriculum. It is also a direct response to the urgent call from the Department of Health Regional Office, highlighting the critical need for a stable blood supply to assist patients in our region. Regrettably, many lives are lost due to excessive blood loss with no available blood for replenishment plus the fact that blood is a health resource that could not be manufactured artificially.
3. In this connection, we are encouraging possible blood donors during the said activity.
4. Attached is a list on the basic requirements of possible blood donor and a list on what to do before and after blood donation.
5. For your information, guidance and compliance.
