**2nd Dose HPV Vaccination of Grade 5 Female Learners
in Remaining Elementary Schools**

To: Public Schools District Supervisors
School Heads
Class Advisers
Health and Nutrition Section personnel
DepEd Tacloban City Division
All others concerned

1. The immunization for Human Papilloma Virus (HPV) vaccine against cervical cancer among our identified Grade 5 female learners has been scheduled on February 12-23, 2024 at the identified schools. However, there were 2 elementary schools that were not included in the initial list and were unavailable for the specified schedule. These schools are the Bliss Elementary School and GMA Kapuso Village Elementary School, Tacloban City.
2. In this connection, the 2nd dose HPV vaccination for these schools is scheduled on February 27, 2024 AM for ten (10) Grade 5 female learners of GMA Kapuso Village Elementary School and eighteen (18) Grade 5 female learners of Bliss Elementary School. Venue for the activity is in the said respective schools. Submission of parent's consent is preferable and ideal for this activity.
3. This memorandum shall serve as Travel Order for the concerned personnel.
4. For your information, guidance and compliance.
