DIVISION MEMORANDUM

No. 215 s. 2025

URGENT SUBMISSION OF OVERDUE DRRM RESEARCH PROPOSALS

TO : Assistant Schools Division Superintendent
Chiefs, SGOD and CID
Public Schools District Supervisors
Public and Elementary and Secondary School Heads
All others concerned

1. This memorandum serves as a formal notification to DRRM Coordinators regarding the long overdue submission of **Disaster Risk Reduction and Management (DRRM) Research Proposals**. As a mandatory deliverable agreed upon during the *Research Capability-Building Training* conducted in Catbalogan City last October 16-18, 2024, the non-submission of these proposals is now a serious concern. The research conducted through these proposals is critical for enhancing the effectiveness of DRRM strategies within our division. This research will ultimately contribute to building more resilient and safer communities for all.
2. The final deadline for submission will be on **March 24, 2025**. Failure to submit the proposal by this date will necessitate the submission of a formal justification letter explaining the reasons for the delay/non-submission.
3. A list of concerned DRRM Coordinators is attached to this memorandum (Annex A).
4. DRRM Coordinators are requested to provide status of their respective studies. Those who have already complied with the submission requirement are not affected by this memorandum. Any questions or require clarification on any aspect of the research, please do not hesitate to contact *Dr. Jade B. Calleja, SEPS/Division Research and Innovation Coordinator* at the PRS Office for assistance.
5. Immediate dissemination and compliance with this Memorandum are desired.
