- 1) The Department of Education (DepEd) champions research as the foundation for improving the Philippine education system. By prioritizing rigorous research, DepEd generates evidence to shape effective policies, enhance teaching practices, and develop innovative strategies. This commitment ensures that decisions are data-driven, ultimately empowering educators and students and promoting a more equitable, excellent, and inclusive learning environment for all Filipino learners.
- 2) In line with this, the Schools Division of Tacloban City thru the Planning and Research Section of the School Governance and Operations Division shall conduct a **DIVISION BASIC AND ACTION EDUCATION RESEARCH AND INNOVATION PROPOSAL DESIGN HEARING FOR THE 2ND QUARTER 2025** at the PRS Office, 3rd floor of the Division Office, Tacloban City on the following schedule:
 - September 16, 17 and 18, 2025 (Tuesday, Wednesday and Thursday) for the Research
 - September 24, 25 and 26, 2025 (Wednesday, Thursday and Friday) for the Innovation
- 3) The objectives of conducting proposal hearings for DepEd research/innovation proposals are multifaceted and pivotal in ensuring the quality, relevance, and feasibility of research projects within the education sector:
 - i) It provides a platform for expert reviewers to assess the quality, significance, and methodological rigor of research/innovation proposals submitted. Through this evaluation process, the suitability of proposed research/innovation projects for addressing key educational issues and contributing to the advancement of knowledge in the field is determined;
 - ii) It offers researchers/innovation the opportunity to receive constructive feedback and suggestions from a panel of experts. This feedback can help researchers/innovators refine their questions, methodologies, and objectives, ultimately enhancing the overall quality and effectiveness of the proposed research/innovation projects;
