**DIVISION MEMORANDUM**  
NO. 897 s. 2025

**TO: Assistant Schools Division Superintendent  
Chief Education Supervisor  
Education Program Supervisors  
Public Schools Division Supervisors  
Public Elementary and Secondary School Heads  
All others concerned**

**Post- Typhoon Tino Instruction**

1. Following the exit of Typhoon from Region VIII, its imperative that we ensure the safety and well-being of all personnel and learners. All personnel must be accounted for, with any concerns reported to this office immediately. The School Disaster Risk Reduction and Management (SDRRM) focal persons must conduct a rapid assessment, focusing on the number of classrooms totally or partially damaged, the number of instructional Materials (IMs) and equipment damaged and the number of learners needing immediate provision of EdukAhon (learning packets/materials). This data will inform our decisions regarding the resumption of face-to face classes.
2. Schools that sustained minor to no damage must immediately resume face-to face classes to mitigate potential learning losses as soon as weather Warning and EOs are lifted.
3. Curriculum Implementation Division (CID) Focal persons shall reschedule all postponed activities and deliverables, and inform the field of any changes.
4. Division Focal Persons must also coordinate with the Curriculum and Learning Management Division (CLMD) Focal to assess the impact of Typhoon Tino on venues and billeting schools in SDO Maasin and Southern Leyte for upcoming Regional Events, specially the Regional Science and Technology Fair (RSTMF) scheduled for next week. Please provide updates on any changes via memorandum.
5. Immediate dissemination of this Memorandum is desired
